

1.0 Safety Statement

Policy

PTS is committed to maintaining a safe and healthy working environment for our employees and for anyone who may be affected by our business operations.

Our goals for safety are zero accidents and no harm to people.

Process

PTS is committed to achieving these goals through systematic management of health and safety, ensuring compliance with the law and aiming for continuous improvement. We will:

- Set annual targets for improvement and openly report performance (good and bad)
- Undertake consultancy, testing and inspections with due regard to health and safety of anyone who may be affected
- Consult with clients and employees on health and safety
- Include health and safety performance in the appraisal of employees and recognise those who contribute to its improvement
- Ensure employees with safety responsibilities understand their duties and have time and resources to discharge them
- Provide adequate supervision and monitoring of compliance with safety requirements
- Encourage every employee to be pro-active in the promotion of safety, and in the prevention of accidents and ill-health at work
